HANSA-FORUM

SHIPPING | FINANCING

THE CONFERENCE

The HANSA-Forum »Shipping | Financing« has been one of the most renowned and successful conferences in the European maritime business – for more than 20 years now. Our event gathers prominent German and international shipping and finance players to discuss challenges and opportunities for global shipping.

With more than 400 high-level delegates from ship owners, managers and operators, banks and investors to brokers, advisors and consultants the HANSA-Forum is a key fixture in the annual shipping calendar. Use this second-to-none networking event to …

- meet top-class speakers and experts
- hear exclusive insights
- hear lively debates and discussions led by leading industry journalists!

VENUE

Join us in Europe's vibrant maritime centre of Hamburg. Our venue is the marvellous Grand Elysée Hotel right in the city, not far away from all the attractions along the Elbe river.

ABOUT HANSA

For 153 years HANSA – International Maritime Journal has been one of the leading magazines for the maritime industry and one of the oldest journals of its kind in Europe. Founded in 1864 HANSA is a trusted source of information for decision makers and provides in-depth and unrivaled analyses and insights covering newest developments and trends in shipping, shipbuilding, ship financing, insurance, port operations, waterways and in the offshore sector. With the highest total circulation of all maritime journals published in Germany, HANSA has competed successfully over the decades on the German market and is gaining a growing readership abroad – a unique success story. For 21 years now HANSA has been hosting the annual shipping and ship financing conference »HANSA-Forum« – one of the most renowned conferences in the European maritime business.
